It is hereby determined that the storage or accumulation of trash, rubbish, junk, junk vehicles, abandoned vehicles, building materials, and the maintenance of blighted structures upon any private property within the Village of Woodland tends to result in blighted and deteriorated neighborhoods, the spread of vermin and disease, the increase in criminal activity, and therefore is contrary to the public peace, safety and general welfare of the community.

Sec. 3 Storage or accumulation restricted.

It shall be unlawful for any person to store or to permit the storage or accumulation of trash, rubbish, junk, junk motor vehicles or abandoned vehicles on any private property in the Village except within a completely enclosed building or upon the premises of a properly zoned and licensed or approved junk dealer, junk buyer, dealer in used auto parts, dealer in secondhand goods or junk gatherer; however, any bona fide owner or occupant of any parcel of land may store on the parcel one such junk motor vehicle for a period of not to exceed 48 hours if such vehicle is registered and licensed in his name.

Sec. 4 Blighted or vacant structures prohibited; exception.

It shall be unlawful for any person to keep or maintain any blighted or vacant structure, dwelling, garage, outbuilding, factory, shop, store, or warehouse unless the same is kept securely locked, the windows kept glazed or neatly boarded up, and otherwise protected to prevent entrance thereto by unauthorized persons or unless such structure is in the course of construction in accordance with a valid building permit issued by the County of Barry, State of Michigan, and unless such construction is completed within a reasonable time.

Sec. 5 Accumulation and storage of building materials in enclosed building; exception.

It shall be unlawful for any person to store or permit the storage or accumulation of building materials on any private property, except in a completely enclosed building or except where such building materials are part of the stock-in-trade or business located on said property, or except when such materials are being used in the construction of a structure on the property in accordance with a valid building permit and unless such construction is completed within a reasonable time.

Sec. 6 Removal of junk vehicles by owner or Village; notice.

A. Owner removal; notice. The owner or occupant of any property upon which is stored or placed a junk motor vehicle or any parts of a motor vehicle, shall be notified in writing by the Village to remove the same from such property within seven days after service of notice. Such notice may be personally served or may be served by mailing the notice by certified mail, return receipt requested, to the last known address of the owner and, if the premises are occupied, to the premises, or by affixing a written notice to the motor vehicle or vehicle parts. A time extension not exceeding 14 additional days may be granted by the Village upon the showing of a hardship, which hardship can be eliminated by the granting of such a time extension.

B. Village removal; notice. The Village President, Clerk or any police officer of the Village of Woodland may remove or cause to be removed any junk motor vehicle or abandoned vehicle, or parts of either, from any unenclosed private property after having notified, in writing, the owner or occupant of such property of his intention to do so at least 48 hours prior to such removal. Such notice shall be served personally upon the owner or occupant of property, if occupied, or may be posted in a conspicuous place upon vacant or unoccupied property. Such junk motor vehicles or abandoned vehicles, or parts of either, shall be removed and disposed of

in accordance with the law. Such removal by the designated enforcement official shall not excuse or relieve any person of the obligation imposed by this article to keep his property free from storage or accumulation of junk motor vehicles or abandoned vehicles, or parts of either, nor from the penalties for violation thereof.

Sec. 7 Removal of junk vehicles; costs; duties of Village officials.

Upon removal of any junk motor vehicle or abandoned vehicle, or parts of either, from unenclosed private property by an authorized enforcement official of the Village pursuant to the provisions of Section 6 of this article, said enforcement official shall file a statement of costs incurred in such removal by affidavit with the Clerk of the Village. Upon receipt of said affidavit of costs, the Village Clerk shall place the same on file and serve a copy thereof upon the owner or occupant of the property or if unoccupied upon the owner as appears on the records of the Register of Deeds office. Said notice shall be served by delivering a copy of the same personally upon the owner or occupant or if the land is unoccupied by certified mail. The notice shall state that if payment in full of the costs contained therein are not made within 30 days of the date of the notice, which notice shall be dated as of the date of personal service or date of mailing, the Village Clerk shall certify the costs as delinquent and submit said costs to the Treasurer of the Village setting forth the name of the owners of the property, if known, and a description of the property from which the vehicles or parts thereof were removed. The Treasurer shall place the costs upon the assessment roll charged to the property described, and the costs shall be collected in the same manner as provided by the statutes for the collection of Village taxes.

Sec. 8 Rubbish and trash in streets.

It shall be unlawful to throw or place ashes, paper, garbage, trash or rubbish of any kind in the streets of the Village of Woodland.

Sec. 9 Placement and location of rubbish, trash or garbage containers; exceptions.

It shall be unlawful for any person to store, keep or maintain containers used for the storage or collection of rubbish, trash or garbage in open view from any public road or street unless such containers remain covered and are not allowed to overflow. Such rubbish, trash or garbage containers may not be stored, kept, or maintained within five feet of any public road, street or right-of-way except when necessary for the purposes of emptying and removal of trash, rubbish, or garbage by a governmental or commercial collection agency. In such instances, all rubbish, trash or garbage containers may be placed in the road right-of-way no more than 24 hours before pickup and shall be removed from the road right-of-way within 24 hours of being emptied.

Sec. 10 Penalty.

A violation of this article is a municipal civil infraction. The penalty for a violation that is a municipal civil infraction shall be a civil fine in an amount set by resolution of the Village Council from time to time.

Sec. 11 Growth of certain weeds prohibited.

It shall be unlawful for the owner, agent or occupant of any property located within the Village to permit to grow any weeds, grass, vines, trees, shrubs, or other growth when the same endangers property or the health or safety of the public, or is a potential fire hazard, or such growth is hereby declared to be a public nuisance.

Sec. 12 Notice to remove.

The Village shall give written notice to the owner or occupant of the premises upon which such nuisance is located, or which adjoins that portion or the street or alley where such nuisance is located, to remove, trim, or dispose of the same within 10 days after service of said written notice. Said notice shall be given as follows:

A. The Village shall notify either the owner or occupant of the premises in writing that conditions on the premises are unlawful. The notice shall specifically describe the conditions constituting the unlawfulness and shall specify the sections of this article that are involved. The notice shall direct the recipient to correct the offending conditions and shall specify the time within which the corrections must be made.

B. The notice required by this article shall be given by certified mail, return receipt requested, to the property owner of record or by posting a notice on said premises in a conspicuous place. In the event that the owner or owners are not known or not of the record, in addition to the posting, publication shall be given in a newspaper of general circulation in the Village at least 10 days before the effective date of the notice.

Sec. 13 Limitation on violation.

No one shall be in violation of this article unless he shall have failed to comply with the notice specified in this article within 10 days of the receipt thereof.

Sec. 14 Cutting of weeds by Village.

A. In the event the owner, agent, or occupant of any property within the Village of Woodland to which this article applies has failed after 10 days' notice as provided herein to cut or destroy such noxious weeds, grass, plants, vines, trees, shrubs, or other growth or cause same to be cut or destroyed, then any official inspector or other agent authorized by the Village Council of the Village of Woodland may enter upon such property and destroy such weeds, grass, plants, vines, trees, shrubs, or other growth by cutting or destroying with or without mechanical equipment which will not damage the property or the sidewalks adjacent thereto.

B. Any and all expenses and costs incurred by the Village of Woodland with respect to cutting, destroying, eradicating or controlling such noxious weeds, grass, plants, vines, trees, shrubs, or other growth shall be paid by the owner(s) or occupant(s) of the property. The Village shall have a lien against the property for such expenses and costs, which lien shall be enforced in the manner prescribed by the general laws of the State of Michigan providing for the enforcement of tax liens. The Village Council may, by resolution, establish costs and expenses with respect to the cutting, destroying, eradicating or controlling noxious weeds or other growth.

Sec. 15 Emergency abatement; responsibility for costs.

The Village may abate any such public nuisance without giving notice if the public health or safety requires immediate attention. The cost of abating such nuisance may be charged against the premises and the owner thereof, in accordance with the provisions heretofore set forth.
